Date: June 24, 2022

Summer is here and we are working on upgrades around the Preserve. Our new batch of bird dogs are being trained and we are putting paint and polish on buildings and equipment.

Alligator hunts are going well with an 11.5' average so far this summer. We have plenty of tags left and several big alligators scouted out. It is a great hunt to do with your children and grandchildren while they are on summer break.

Our new tower is finished, and we are booking up quickly for the season's pheasant shoots already. Get your dates booked early so you don't miss out on the good fun and food. This season's schedule is as follows:

Nov. 12
Dec. 10
Jan. 13 (sold out)
Jan. 21
Feb. 4 (sold out)
Feb. 18

A new quail course is underway and should be ready for some use this season. Quail dates are also booking up early this season. There are already several dates that are completely booked. Don't miss out. Book early!

I am looking forward to seeing you all again this season and hope you have a great summer. Please call or email me to book your dates or if you have any questions.

Jamey O'Bannon
